

Hon'ble Chief Justice Mr.Justice S.J.Vazifdar and my brother and sister Judges, Good Evening!

Time is a brilliant way of showing us what really matters. It was wonderful being amongst all of you for close to three years. I certainly carry lot of good memories from here. Sometimes I wish I could go back in life – not to change anything but to enjoy the moments of togetherness twice.

It has been a magnificent experience full of knowledge, wisdom and learning during my tenure in this prestigious High Court. Infact, I thoroughly enjoyed doing work whether it was as a Sub-Judge, a Sessions Judge or a Judge of this Court. As I said earlier, I am immensely satisfied and delighted on completion of my professional tenure.

I believe I may certainly miss the set schedule, the usual flow of the day but it is always so when you have a new phase, a new role ahead of you.

The happy moments spent with brother and sister Judges- walking together in the corridors, taking lunch together, sharing delicious food with the colleagues next on the chair, sipping and savoring tea-coffee with my coffee group, will always be cherished.

I am extremely grateful to everyone for bring a part of my journey. My special gratitude to Hon'ble Chief Justice Mr. Justice S.J.Vazifdar for his kind words. I will always remember his pleasant and caring nature for everyone.

Thank you. God bless you all.
